

REQUIRED UNIFORMS FOR CORNERSTONE KINDERGARTEN – 8th GRADES

CCS DRESS CODE for GIRLS

Because outward appearance is a reflection of the heart and mind, our students are expected to cultivate and exercise good taste and judgment in both dress and personal appearance at all times. Research has determined that there exists a correlation between attire and behavior and that self-esteem is intricately related to one's appearance. We believe that one's dress and appearance must support a positive, healthy self-concept. Modesty, neatness, cleanliness, and practicality are goals sought in providing guidelines for appropriate attire at CCS.

**** Students who have not complied with the school dress code, and have incurred a 3rd offense, will have after-school detention for 40 minutes. Parents will be responsible to pick up their child. ****
