Dear Parents/Guardians,

Happy New Year! 2020 was a trying year for us all. But through it all, our Lord has been amazing in his provisions and protection of our students, staff, and faculty.

I praise God for a staff and faculty that trust in Him and are guided by His Holy Spirit. We do not know what 2021 will bring our way, however, we do know that great is His faithfulness and that morning by morning His mercies we do see. So, as we start this new year, let's enter in with prayer, trust, and most of all faith in our Lord who controls everything in our world.

“It is the Lord who provides the sun to light the day and the moon and the stars to light the night, and who stirs the sea into roaring waves. His name is the Lord of Heaven’s Armies...” Jeremiah 31:35 NLT

We trust in Him to continue to see us through to the end of this school year, but he does expect us to be diligent. With that said, in order to continue to practice safety and stay in good health; I am asking all parents of students in grades first through eighth to have their child tested for COVID-19. We would appreciate a copy of the test results for our records. My staff and I, as well as the school faculty are all going to be tested. Ms. Claudio and I have decided to be tested on a weekly basis. This is all being done as a precaution.

These are unprecedented times and we are put in situations to do things that we never thought we would have to do. However, when it comes to safety and health, we should do our best to protect those around us and ourselves.

May God bless you and your families and keep you safe and healthy.

In His Service,

Jeannette Rosa-Sanchez, MS, LMSW
