October 1, 2020

Dear Parents/Guardians,

Praise the Lord! It's October 1, 2020 and we have successfully concluded the first month of in-person academic instruction. Our students continue to impress us with their resiliency and tenacity. It is exciting to enter a classroom and witness students engaged in learning. Every week students are memorizing bible verses and explaining the meaning of the verses. I am looking forward to the development of these young minds, not only academically, but more importantly, spiritually.

Due to these unprecedented times, we are planning to enjoy our annual Fall trips differently this year. Our students will experience their Annual Harvest Apple and Pumpkin Picking Adventure right here at CCS. Ms. Laquidara has taken on the task of bringing the orchard to CCS! On October 23rd, CCS grades TK-5th will have a day of apple and pumpkin picking, cider, and donuts, as they stroll through the nature walk right here on the Gracepoint premises. We will take plenty of pictures and each teacher will share them with their students' parents.

Our middle school will also have a Fall adventure. On October 9th, Grades 6th-8th will be going on a nature hike in Warwick, NY, with their teachers. They will experience the beautiful outdoors which God created and end their hike by indulging on homemade ice-cream at the Bellvale Creamery.

In complying with the CDC guidelines, we continue to limit outside contact with our students and faculty; and therefore, we are not having parent volunteers this year. Thank you for all the communication and collaboration between home and school; and for working with us in abiding by the CDC and NYSED guidelines. Working together we can make this a successful and healthy school year.

Please continue to keep our teachers and office staff in your prayers as these are challenging times; however, we have stepped up to the plate and have trusted in God for all that we do and He has never failed us yet. It is of the Lord's mercies that we are not consumed, because his compassions fail not. They are new every morning: great is their faithfulness.
Lamentations 3:22-24.
