Dear Parents/Guardians,

**“May the Lord bless you and keep you. May He make His face to shine upon you and be gracious to you. May you grow in wisdom, and stature, and favor with God and mankind.”**

Our students begin every morning reciting this verse. This school year, this verse has meant much more to all of us than ever before. The Lord has blessed us, He has kept us, and He has made his face to shine upon us and has certainly been gracious to us. Praise God; we have so much to be thankful for.

Beyond a shadow of a doubt, we have experienced the protection of the Lord over CCS. We have been diligent in following all of the CDC guidelines and God has honored our efforts. As we get ready to celebrate Thanksgiving and gather with family and friends, I would ask you to be cautious, use wisdom, and continue to wear a face mask, and wash your hands or use hand sanitizer regularly. If you suspect, or have been exposed to someone with COVID, please quarantine and get tested.

I would also ask, that if you are traveling out of State, please have your child quarantine before returning to school. Safety is key; if we follow all of the CDC guidelines, and take these precautions, we will be able to have a successful school year.

Be blessed and have a happy and restful Thanksgiving.

“ Jesus calls you His beloved. Rest in Him, trust in Him, and live by the light of His love.” Dr. Charles F. Stanley
