Dear Parents and Guardians,

Praise God!!!! We made it through the 2020-2021 school year. It has been an unbelievable year. Whenever I tell people that we have been open for in-person instruction since September 9<sup>th</sup> without closing down at all, they are shocked. We have persevered against all odds in opening our school, in supporting and delivering instruction to those who need it the most, our children and families. Our God is God Almighty. There is nothing impossible for Him. When we put our trust in Him and Him alone, there is nothing He would not do for us. I am so overwhelmed with gratitude.

On June 22, we were able to hold two graduation ceremonies. Our Kindergarten and Eighth graders were recognized for their hard work and accomplishments. We wish our Eighth grade graduates much success as they spread their wings and fly unto their new endeavors. May our loving Father direct their every move. And to our Kindergarten class, we know First grade is eagerly awaiting them; encourage them to stay diligent with summer school work and read, read, read!

Thank you parents for cooperating with all my administrative decisions regarding everyone's health and safety during this Covid-19 Pandemic school year. You did your part by keeping your children home when they were sick, you reported suspected exposure(s), and quarantined when it was necessary; by doing so you protected all of our students, families, and staff.

I would be remiss if I did not mention our CCS teachers. These teachers came to work every day and never complained. They poured their hearts into teaching their students. They made sure that the fear lingering in this world due to COVID did not govern the environment in their classroom. The students were made to feel safe and secure and in doing so, they cultivated a productive learning environment. What our students heard throughout the year was that in a world filled with chaos and confusion, Jesus is still the answer.

This year I have found myself reiterating 2 Chronicles 7:14, which says, "If my people who are called by my name would humble themselves and seek my face, I will hear, and I will heal their land." I cannot stress enough how *important* it is that we join in prayer not only for our schools, but for our country.

As this school year comes to an end, I would ask you to please pray that God would give us His **wisdom** and **guidance** in preparing for the 2021-2022 school year. Whatever battles lie ahead for the 2021-2022 school year, we will continue to TRUST GOD, knowing that He is with us. “Be strong and courageous, do not be terrified, and do not be dismayed, for the Lord our God will be with us wherever we may go...”, Joshua 1:8-9.

CCS will continue to be dedicated to training our students to be followers of Christ. Our emphasis is on the development of the whole child by educating the body, mind, and spirit. Mr. Claude E Schindler Jr., retired Administrator of the Dayton Christian School, stated, “The entire process of education is seen as a means used by the Holy Spirit to bring the student into fellowship with God, to help him become strong or mighty in spirit, to assist him in developing the mind of Christ, to train him in Christlikeness, to teach him to respond like God, and to help the student demonstrate Christ-like character qualities so he can fulfill God’s total purpose for his life personally and vocationally.”

Our God has been faithful to us and He will continue to be faithful. “For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29:11

Have a blessed summer, stay healthy and safe; and with God’s continued protection I look forward to seeing you all in September.

In His Service,

Jeannette Rosa-Sanchez, MS, LMSW
