Dear Parents/Guardians,

It is my duty as administrator of Cornerstone Christian School, that I am informing you of a positive COVID case at Gracepoint Gospel Fellowship.

Jeannette Rosa-Sanchez
Administrator

Thank God, as of today, I can say the children and the staff at CCS are healthy. CCS has taken several measures since the beginning of the school year to disinfect our school and to provide the healthiest environment possible for our students and staff.

Gracepoint church will be closing for one week in order to disinfect their side of the building. At this point there is no need to close Cornerstone. Our school building is totally separate from Gracepoint and we have put a heavy-duty disinfecting program in place. Please refer to the attachment that explains our disinfecting service.

For safety precautions, CCS will not be entering the Gracepoint building during this week. All necessary access to our Cornerstone building will be handled through our main school entrance; this includes the 2:30 pm dismissal and the aftercare dismissal. All students will eat lunch in their classrooms.

Please continue to lift up our school and our brothers and sisters in Christ at Gracepoint in your prayers. Now may the Lord of peace himself give you peace at all times and in every way. The Lord be with all of you. 2 Thessalonians 3:16

In His Service,

Mrs. Jeannette Rosa-Sanchez, MS, LMSW
School Administrator
