July 22, 2020

Dear Parents,

This is an update on the reopening of Cornerstone Christian School in the fall of 2020-2021 school years. At present, we are waiting to hear from the New York State Education Department (NYSED). On July 13, 2020, we received the guidelines from Governor Cuomo and NYSED; however, we just received an email from the NYSED indicating that the guidelines for the Religious and Independent Schools are separate and will be emailed this week.

When we receive the NYSED guidelines for safely opening up Religious and Independent Schools, we will activate our plan. Our plan will also include guidance from the Center for Disease Control (CDC), our local health department, and Governor Cuomo's office.

Please know that our plan is to reopen in September with all safety guidelines in place. Our first full day of school for all grades will be Wednesday, September 9, 2020. In order to better service you and your child's needs, we will be offering the continuation of remote learning for those parents who are apprehensive about sending their child to school in September. Remote learning would be available for as long as you may need it. Teachers will live-stream their daily lessons; your child will be able to actively participate along with their teacher and classmates.

I look forward to sharing our reopening guidelines with you in the near future.
