Report cards and records will be withheld until payments are satisfied.

Children of parents with delinquent accounts, over 60 days, will not be permitted to attend school until the parents have made arrangements to pay the overdue account. If extenuating circumstances prevail, parents may make an appeal in writing to the administrator.

PARENT'S PLEDGE of PARTNERSHIP

Recognizing my partnership with the faculty and administration of Cornerstone Christian School, I pledge to:

- Seek the advancement of Cornerstone Christian School (hereafter will be referred to as school) in word, in deed and in prayer for the progressive good of the school.
- Fully cooperate with school authorities. I understand that parents (guardians) are expected to cooperate with the school authorities and support the overall philosophy and ministry of the school based on scripture from Amos 3:3 *"Do two walk together unless they have agreed to do so?"* (NIV)
- Pay my financial obligations to the school on or before the respective due dates. If I am unable to make a payment on time, I will notify the school office in advance and I will work with the school toward timely payments. I understand my financial obligations to the school must be met in order for God's work to continue here.
- Support the dress code adopted by the Board of Trustees.
- Actively support and regularly attend school meetings and parent functions. Undertaking areas of assistance and responsibilities at the school as opportunities arise.
- Recommend Cornerstone Christian School to others as the opportunities arise.

As a parent of a child in attendance at Cornerstone Christian School, I recognize my responsibility to strive diligently toward the above. **If problems should arise and I become dissatisfied with the school for any reason, I will seek to quickly resolve the matter with the appropriate person(s) using the pattern outlined in Matthew 18:15-18**, i.e. going directly to the individual first and only when and if there is no resolution, taking it to other mature spiritual parties to help resolve the issue. **Because Scripture admonishes Christians to resolve their differences within the church rather than bring them to secular courts (1Cor. 6:1-7)**. I agree to follow such a procedure in my dealings with the school.

I understand the admission to Cornerstone Christian School is a privilege and not a right. I agree that our child's admission, continuance in Cornerstone, and graduation are subject to the right of the authorities of Cornerstone Christian School to require our child's withdrawal for scholastic, disciplinary, or other reasons deemed sufficient by them. I also understand that my conduct can and will affect our child's continued enrollment. Biblical standards and principles are required of parents as well as staff to validate the partnership (*Amos 3:3*) between the school and home to educate the whole child.

I have read the school's *Mission Statement, Statement of Objectives, Tuition Payment Policy, and the Parent's Pledge of Partnership*, and I have agreed to have our child educated in accordance therewith and to fulfill our part in supporting the school. I also understand that our failure to fully cooperate with Cornerstone Christian School authorities and to support the philosophy and ministry of the school is grounds for the removal of our child and can affect our child's current or future enrollment status.
