#GivingTuesday

A day defined by generosity...

What is Giving Tuesday?

Giving Tuesday is a global holiday and generosity movement to celebrate and encourage the gift of giving.

We encourage you to consider Cornerstone Christian School this year.

What we do at Cornerstone:

As the holidays approach it becomes increasingly difficult to focus on the true meaning of this season- **Jesus Christ**. Here at Cornerstone Christian School, we are committed to providing a well-rounded Christian Education for our Elementary and Middle School students. Teaching our students God's word, morals, and values is our top priority.

We believe that children should have a strong foundation in God as well as academically. We have a full academic program that prepares our students to be above-average grade level, honor roll students. We teach them to be an active part of the community by giving and being actively involved. This is an environment where children can grow and learn with love, encouragement, support, and guidance.

How can you join this movement?

There are so many items that can make a difference in classroom learning. Very often, however, it is teachers that purchase those items on their own to be sure their students are learning and enjoying their days at school. Engaging their students with fun academics makes for a very memorable experience. Below are some teachers' wish lists if you feel led to bless them in this way.
