

Always

By Chris Tomlin

I believe You gave sight to the blind
I believe that the dead came to life
I believe there were wonders and signs
You're still the same

I believe every word that You say
I believe there are scars in Your hands
That Your goodness is good without end
And You'll never change

I will tell of Your wonders,
sing of Your grace
The God of creation knows me by name
The Lord is faithful
Yesterday, now and always

Your mercy is mighty, age after age
And all generations will bow down and praise
The Lord is faithful
Yesterday, now and always

I believe You will come in the clouds
I believe You are here even now
In Your presence I know there is power
Power to save,

I will tell of Your wonders, sing of Your grace
The God of creation knows me by name
The Lord is faithful
Yesterday, now and always

Your mercy is mighty, age after age
And all generations will bow down and praise
The Lord is faithful
Yesterday, now and always

You were, You are
You always will be God
You were, You are
Yes, You always will be God

I will tell of Your wonders, sing of Your grace
The God of creation knows me by name
The Lord is faithful
Yesterday, now and always

Anxious Heart

By Jeremy Camp

**Locked up and I'm so in my head
Heart starts racing and I can't slow it down
Hands shaking and I'm losing my breath
Paralyzed with a mind spinning out**

**My strength..... has grown weak
No words.... left to speak
I fell to my knees
'Cause I know what I need**

**You are the light when my world goes dark
You hold me together when I'm torn apart
And when my thoughts have run away too far
You are the calm for my anxious heart
You are the calm for my anxious heart**

**Wrapped up in the arms of Your Love
Stilled by the silence above all the noise
Burden's light when You're lifting it up
Fear is terrified by the sound of Your voice**

**'Cause You.... don't grow weak
Your word is peace
I fall to my knees
'Cause I know what I need**

**You know everything about me
You come and surround me
And everything that holds my soul
Falling is surrender, learning to remember
You're the One who's in control**

**You are the light when my world goes dark
You hold me together when I'm torn apart
And when my thoughts have run way too far
You are the calm for my anxious heart**

**You are the life when my breath is gone
You're the hope when I'm stuck in the storm
And I know this is still who You are**

**You are the calm for my anxious heart
You are the calm for my anxious heart**

Fingerprints

By Dan Bremnes

Sometimes I feel just like I'm caught inside a moment
Not really movin', but you're going through the motions
Trying so hard to find the meaning as your days roll by
I know it sounds impossible, but we're livin' in a miracle,

The more you look, the more you know that we are not alone
When you see love.... leave a mark
Healing broken hearts
You see chains... fall apart
You see hope rise from the dark

It's so much more than ordinary
It's nothing less than extraordinary,
It's the fingerprints of God

It's written in the way the stars break up the night
The proof.... the clarity that opens up our eyes
It's all around, and it's inside of you and
I know it sounds impossible, but it's actually a miracle

When you see loveleave a mark
Healing broken hearts
You see chains... fall apart
You see hope rise from the dark

It's so much more than ordinary
It's nothing less than extraordinary,
It's the fingerprints of God

Open your eyes to the signs all around you
Hope is alive and it's living inside you
All creation testifies it, the more you seek, the more you'll find it

Love.....love
Healing broken hearts
You see chains fall apart
You see hope rise from the dark
It's so much more than ordinary
It's nothing less than extraordinary,
It's the fingerprints of God

First Things First

By Consumed By Fire

All the things that I have held dear
The vanities that whispered in my ear
What would I do if they all disappeared

Riches and fame and all that they could buy
I've come to find they never satisfy
What would I gain if my soul's the price

I don't wanna love what the world loves
I don't wanna chase what the world does
I only want You

First things first
I seek Your will
Not my own
Surrender all my wants to you

Keep the first things first
To live Your truth
Walk Your ways
Set my eyes
Lord I fix my face on you
All my desires reversed
To keep the first things first

I give it all
My life an offering
My heart is yours
So have Your way in me
Your kingdom's all I wanna seek

I don't wanna love what the world loves
I don't wanna chase what the world does
I only want You

First things first
I seek Your will
Not my own
Surrender all my wants to you

Keep the first things first
To live Your truth
Walk Your ways
Set my eyes
Lord I fix my face on you
All my desires reversed
To keep the first things first...

To keep the first things first

For the Love of God

By Andrew Ripp

I saw mercy
Mercy seated where the judge should be
Was guilty
Guilty in getting out of jail free
How could it be.... I didn't get the love I deserved
And the only thing He wanted was my heart in return
And every time I think about, every time I thought was the end
I'm caught up in wonder again

Where would I be?
Where would I be if it wasn't for the love of God?

This song of victory is
Now mine to sing
Hallelujah, for the love of God has set me free
Hallelujah, for the love of God

I was thirsty
But like a desert turned into a field of green
Started breathing
When Heaven's favor took a hold of me
How could it be...I'm living with an infinite worth
And the one I thought I'd choose had really chosen me first
And every time I think about, every time I thought was the end
Ooh, I'm caught up in wonder again

Where would I be?
Where would I be if it wasn't for the love of God?

This song of victory is now mine to sing
Hallelujah, for the love of God has set me free
Hallelujah, for the love of God

If it wasn't for my failures and mistakes
I would never know the depths of this grace
Now my heart is beating for Heaven's sake
Ooh, and for the love of God

Where would I be?
Where would I be if it wasn't for the love of God?

This song of victory is
Now mine to sing
Hallelujah for the love of God has set me free
Hallelujah for the love of God

Gratitude

By Brandon Lake

All my words fall short
I got nothing new
How could I express
All my gratitude?

I could sing these songs
As I often do
But every song must end
And You never do

So I throw up my hands
And praise You again and again
'Cause all that I have is a hallelujah.....Hallelujah!

And I know it's not much
But I've nothing else fit for a King
Except for a heart singing hallelujah...Hallelujah!

I've got one response
I've got just one move
With my arm stretched wide
I will worship You

So come on, my soul
Oh, don't you get shy on me
Lift up your song
'Cause you've got a lion inside of those lungs
Get up and praise the Lord!

So I throw up my hands
Praise You again and again
'Cause all that I have is a hallelujah...Hallelujah!

And I know it's not much
But I've nothing else fit for a King
Except for a heart singing hallelujah...Hallelujah!

All my words fall short
I got nothing new
How could I express
All my gratitude?

Holy Forever

By Chris Tomlin

**A thousand generations falling down in worship
To sing the song of ages to the Lamb
And all who've gone before us and all who will believe
Will sing the song of ages to the Lamb**

**Your name is the highest
Your name is the greatest
Your name stands above them all
All thrones and dominions
All powers and positions
Your name stands above them all**

**You are lifted high, holy
Holy forever**

**If you've been forgiven and if you've been redeemed
Sing the song forever to the Lamb
If you walk in freedom and if you bear His name
Sing the song forever to the Lamb
We'll sing the song forever and amen**

**And the angels cry holy
All creation cries holy
You are lifted high, holy
Holy forever**

**Hear your people sing holy
To the King of kings, holy
You will always be holy
Holy forever**

**Your name is the highest
Your name is the greatest
Your name stands above them all
All thrones and dominions
All powers and positions
Your name stands above them all**

Jesus

**Your name is the highest
Your name is the greatest
Your name stands above them all
All thrones and dominions
All powers and positions
Your name stands above them all
You will always be holy
Holy forever**

New Creation

By Mac Powell

**I thought I knew what I was talking about
When I testified of Your great love
Well, I was a soul on fire, there was no doubt
Bible believing, saved, and washed in the blood**

**But it wasn't 'til I stumbled and made my mistakes
That I could know in my soul how amazing was grace
You brought me blessings out of a tragedy
You turned my old song into a symphony
And with Your spirit living inside of me
I'm a new creation
I'm a new creation**

**And now I know what You were talking about
Went from my head into my heart
When I was broken at the bottom, I found
You're my Healer and Redeemer, Jesus, that's who You are
You brought me blessings out of a tragedy
You turned my old song into a symphony
And with Your spirit living inside of me
I'm a new creation
I'm a new creation**

**But it wasn't 'til I stumbled and made my mistakes
That I could know in my soul how amazing was grace
You brought me blessings out of a tragedy
You turned my old song into a symphony
And with Your spirit living inside of me
I'm a new creation**

**You brought me blessings out of a tragedy
You turned my old song into a symphony
And with Your spirit living inside of me
I'm a new creation
I'm a new creation**

Praise You Anywhere

By Brandon Lake

**Sometimes you've gotta dance through the darkness
Sing through the fire
Praise when it don't make sense**

**Sometimes you've gotta stare down the giant
Worship from the lion's den**

**Sometimes you've gotta shout it from the mountain
Louder in the valley
Trusting that He's gonna get you there**

**Sometimes you've gotta welcome the wonder
Wait for the answer
Worship with your hands in the air
I'll praise You anywhere**

**Praise, give Him praise
In the highest, praise, give Him praise
In the highest, He is worthy
Yes, He is worthy of all of the praise**

**Sometimes you've gotta praise in the prison
Cry out to heaven
Shout it till the doors swing wide**

**Sometimes you've gotta stand on your shackles
Brave in the battle
Worship with your hands held high
I'll praise You anywhere**

**Praise, give Him praise
In the highest, praise, give Him praise
In the highest, He is worthy
Yes, He is worthy of all of the praise**

**Faithful all my life
Blessings day and night
Countless reasons why
I'll praise You anywhere**

**Every promise kept
Goodness every step
Each and every breath
I'll praise You anywhere**

**Oh, I'll praise You anywhere
Oh mountain, oh valley
I know that You're with me there
I'll praise You anywhere**

Speak Life

By Toby Mac

Some days, life feels perfect
Other days, it just ain't workin'
The good, the bad, the right, the wrong
And everything in between
Yo it's crazy, amazing
We can turn our heart through the words we say
Mountains crumble with every syllable
Hope can live or die
So speak life, speak life.
To the deadest, darkest night, speak life.

When the sun won't shine and you don't know why
Look into the eyes of the brokenhearted
Watch 'em come alive as soon as you speak hope
You speak love, you speak life.

Some days, the tongue gets twisted
Other days, my thoughts just fall apart
I do, I don't, I will, I won't
It's like I'm drowning in the deep
Well, it's crazy to imagine
Words from my lips as the arms of compassion
Mountains crumble with every syllable
Hope can live or die
So speak life, speak life
To the deadest, darkest night, speak life.

When the sun won't shine and you don't know why
Look into the eyes of the brokenhearted
Watch 'em come alive as soon as you speak hope
You speak love, You speak life,

Lift your head a little higher
Spread the love like fire
Hope will fall like rain
When you speak life with the words you say
Raise your thoughts a little higher
Use your words to inspire
Joy will fall like rain
When you speak life with the things you say
So speak life, speak life,
To the deadest, darkest night, speak life.

Some days, life feels perfect

Tell Your Heart to Beat Again

By Danny Gokey

You're shattered
Like you've never been before
The life you knew
In a thousand pieces on the floor

And words fall short in times like these
When this world drives you to your knees
You think you're never gonna get back
To the you that used to be

Tell your heart to beat again
Close your eyes and breathe it in
Let the shadows fall away
Step into the light of grace
Yesterday's a closing door
You don't live there any more
Say goodbye to where you've been
And tell your heart to beat again

Just let that word wash over you
It's alright now
Love's healing hands have pulled you through
So get back up, take step one
Leave the darkness, feel the sun
'Cause your story's far from over
And your journey's just begun

Tell your heart to beat again
Close your eyes and breathe it in
Let the shadows fall away
Step into the light of grace
Yesterday's a closing door
You don't live there any more
Say goodbye to where you've been
And tell your heart to beat again

Let every heartbreak
And every scar
Be a picture that reminds you
Who has carried you this far
'Cause love sees farther than you ever could
In this moment heaven's working
Everything for your good

Tell your heart to beat again
Close your eyes and breathe it in
Let the shadows fall away
Step into the light of grace
Yesterday's a closing door
You don't live there any more
Say goodbye to where you've been
And tell your heart to beat again
Beat again

The Father's House

By Cory Asbury

Sometimes on this journey
I get lost in my mistakes
What looks to me like weakness
Is a canvas for Your strength
And my story isn't over
My story's just begun
And failure won't define me
'Cause that's what my Father does
Yeah, failure won't define me
'Cause that's what my Father does

Oh, lay your burdens down
Oh, here in the Father's house
Check your shame at the door
'Cause it ain't welcome anymore
Oh, you're in the Father's house

Arrival's not the end game
The journey's where you are
You never wanted perfect
You just wanted my heart
And the story isn't over
If the story isn't good
And failure's never final
When the Father's in the room
And failure's never final
When the Father's in the room

Oh, lay your burdens down
Oh, here in the Father's house
Check your shame at the door
'Cause it ain't welcome anymore
Oh, you're in the Father's house
Yeah, you're in the Father's house

Prodigals come home
The helpless find hope
Love is on the move
When the Father's in the room
Prison doors fling wide
The dead come to life
Love is on the move
When the Father's in the room

Miracles take place
The cynical find faith
And love is breaking through
When the Father's in the room
The Jericho walls are quaking
Strongholds now are shaking
Love is breaking through
When the Father's in the room

I said, love is breaking through
When the Father's in the room

You Say

By Lauren Daigle

I keep fighting voices in my mind that say I'm not enough
Every single lie that tells me I will never measure up
Am I more than just the sum of every high and every low
Remind me once again just who I am because I need to know

You say I am loved when I can't feel a thing
You say I am strong when I think I am weak
And you say I am held when I am falling short
And when I don't belong, oh You say I am Yours
And I believe
Oh, I believe

What You say of me
I believe
The only thing that matters now is everything You think of me
In You I find my worth, in You I find my identity

You say I am loved when I can't feel a thing
You say I am strong when I think I am weak
And you say I am held when I am falling short
When I don't belong, oh You say I am Yours
And I believe
Oh, I believe

What You say of me
Oh, I believe
Taking all I have, and now I'm laying it at Your feet
You have every failure, God, You have every victory

You say I am loved when I can't feel a thing
You say I am strong when I think I am weak
You say I am held when I am falling short
When I don't belong, oh You say I am Yours
And I believe
Oh, I believe

What You say of me
I believe
Oh, I believe
Yes, I believe
What You say of me
I believe

You Will Be Found

By Cory Asbury, Natalie Grant

Have you ever felt like nobody was there?
Have you ever felt forgotten in the middle of nowhere?
Have you ever felt like you could disappear?
Like you could fall, and no one would hear?

So let that lonely feeling wash away
Maybe there's a reason to believe you'll be okay
'Cause when you don't feel strong enough to stand
Well, you can reach, reach out your hand

And oh, someone will come running
And I know, they'll take you home
Even when the dark comes crashing through
When you need a friend to carry you

And when you're broken on the ground
You will be found
So let the sun come streaming in
'Cause you'll reach up and you'll rise again

Lift your head and look around
You will be found
Yeah, you will be found

There's a place where we don't have to feel unknown
And every time you call out, you're a little less alone
And oh, if you only say the word,
From across the silence, your voice is heard,

Even when the dark comes crashing through
When you need a friend to carry you
And when you're broken on the ground
You will be found

So let the sun come streaming in
'Cause you'll reach up and you'll rise again
If you'll only look around
You will be found
You will be found,
