Dear Parents and Guardians,

As educators this is one of the hardest situations to deal with; it is the unspeakable horror that took place in an elementary school in Texas.

Our hearts are broken as we grieve with the families of loved ones lost and injured at the Robb Elementary School in Uvalde, Texas.

### BOARD OF EDUCATION

Pastor Daniel Johnson

John Contento  
*Treasurer*

Suzette Venner

Jeannette Rosa-Sanchez  
*Administrator*

Right now we are all dealing with a wide range of emotions, our safety net has been affected. School is supposed to be a safe place for students, parents, teachers, and staff. Please know that our students are our main priority from the moment they arrive to the time they leave. CCS is doing everything that can be done in order to keep our students safe.

At present, there is dialog within the church and school board on how to better secure our building. I will keep you informed on what new procedures will be put in place for the 2022-2023 school years.

In the upcoming days, CCS will concentrate on making our students feel safe and try to help them make sense of a world that sometimes can seem senseless. We will do this through the word of God which is our light in this time of darkness.

Please pray for the Robb Elementary School families as they mourn their loved ones. Pray for mental stability, pray for the peace that surpasses all understanding, and pray that this will not draw them away from God, but that it will draw them closer to Him.

“The Lord is close to the brokenhearted and saves those who are crushed in spirit.” Psalm 34:18 NIV

In His Service,

Mrs. Jeannette Rosa-Sanchez, MS, LMSW  
School Administrator
