Dear Parents/Guardians,

November is a month when most of us get into the spirit of giving. We participate in food drives, feeding of the homeless and Thanksgiving! feasts with co-workers, students and families, etc.

I would like to express my heartfelt gratitude to our CCS parents for your generosity during our food drive, International Feast and Operation Christmas Child donation. It is because of you that people in need have received groceries, and children in other countries will experience the beauty of receiving a Christmas gift. Our own students were able to fellowship with each other during the International Feast, share their culture, learn about different cultures, and taste a variety of foods from the different countries represented at our school. You all made this possible, and for this, I thank you.

We at Cornerstone Christian School, are experiencing the excitement of the approaching Thanksgiving Day. Both students and staff have been expressing their eagerness in looking forward to having a turkey dinner, the cranberry sauce, the pies, and the traveling to relative's homes.

Among all of the preparations, gathering of families, eating, and laughter; we must not forget that it is our Lord who provides all of these things for us to enjoy. Thanksgiving should be a part of our daily routine. Being grateful for the Lord's love, kindness, grace and mercy that He continually demonstrates to us.

I pray that we would all express the heart of giving to others all year round, not only on Thanksgiving. Reach out to the hurting, the hungry, the lonely, the homeless etc. He said to them, "Go into all the world and preach the gospel to all creation." Mark 16:15

As you sit down to dinner this Thanksgiving Day with your families share with each other what you are grateful for and give God the glory for He is worthy of all praise.

"Oh give thanks to the Lord, for He is good; for His steadfast love endures forever..."
Psalm 118:24 (ESV)

Sincerely,
