Dear Parents/Guardians,

It is hard to believe that we are entering the third quarter this school year. Soon we will be having our spring concert and before you know it, the summer break will be here.

We have been very fortunate this winter not to have had frigid temperatures or snow storms. Our school calendar has five snow days built in for emergency school closings, at present we have used "0". With that said, please be advised that we will be making some adjustments to our school calendar.

By State law our academic calendar has to represent 180 days of instruction, at present we have 185. Please adjust your calendars to reflect the following days when school will be closed for students and all faculty and staff.

Friday, February 17, 2023, is no longer a half day instead school will be closed

Friday, March 10, 2023 School is closed

Friday, March 31, 2023 School is closed

There are still two snow days that remain unused and will stay in place in case of any inclement weather. If not used for the above-mentioned reason, we will use them on two of our half days in May, which would be **Monday, May 22, 2023**, and Friday, **May 26, 2023**.

Thank you for your understanding. Should you have any questions regarding the above-mentioned information, please feel free to call my office.

Sincerely,

Jeannette Rosa- Sanchez, MS, LMSWS
School Administrator
